## RESPONSE

Dear Sir:

In response to the restriction requirement mailed August 12, 2005 applicants elect to prosecute in the present application the claims of Group II, i.e., claims 9-17, drawn to a process of making a hydroentangled material.

However, applicants reserve the right to file a divisional application on the non-elected subject matter of Group I, i.e., claims 1-8, drawn to a process of making a spunlaid material; Group III, i.e., claim 18 (when depending from claims 1 or 2) and 19-25, drawn to a spunlaid material; or Group IV, i.e., claim 18, when depending from claims 9 or 10, drawn to a hydroentangled material, under the provisions of 35 U.S.C. §121.
